David Stevens, for Authorised Insurers

Several Liability Notice:

The Authorised Insurers will each have “subscribed” or agreed to cover a proportion of your insurance and their obligations will be limited to the proportion that they have agreed to cover. This means that, if there are, for example, three insurers who have agreed to cover 10%, 30% and 60% of your insurance respectively, then each insurer is only responsible for the percentage of cover that it has agreed to provide. When added together this will amount to 100% insurance cover. However, each insurer is therefore not responsible for any other insurer who, for any reason, does not satisfy all or part of its obligations. So in our example, the insurer covering 60% of the insurance will not be liable for anything greater than that percentage.
